RURAL & URBAN LIFESTYLES COME TOGETHER

The Collingwood Agricultural Society is an incorporated, non-profit organization that presents the annual fall Fair - better known as the Great Northern Exhibition (GNE). As an Agricultural Society, we are dedicated to the betterment of rural life by the qualitative improvement of all kinds of livestock, handicrafts, flowers and garden produce through the nurturing of a spirit of friendly competition. By being the area's show window, we host many displays. We provide a meeting place for urban and rural communities alike. Besides being educational for all who attend, we provide a unique experience and a pleasant change from everyday life. The Fair provides good clean fun the whole family can enjoy. We invite inquiries, constructive suggestions, and participation from all urban and rural communities. In addition to the Directors, each section of the Fair has a committee which is composed of many interested people who are part of the fair. You, yes you, are a potential committee member or perhaps even have the interest to become a director. Why not get involved and be a part of the Collingwood Agricultural Society and the GNE! PRESIDENT'S REPORT

DARLENE GARRATT

Hello and welcome to the 166th Great Northern Exhibition, where this year's theme is Bounty from Our County.

The Collingwood Agricultural Society is a volunteer-based organization that is run by our many volunteers - with the assistance of Deborah Mobbs our Administrator - who help throughout the entire year and devote their time to planning, repairing, painting, grass cutting, planting, setting up the Fair, taking down the Fair and general maintenance of the entire grounds.

It is all these people who give their time to help put on and make the Fair great every year. 2022 was a banner year for the Great Northern Exhibition after having been shut down due to covid for the previous two years. Last year had its challenges from which we all learned and we have made improvements in those areas and more for the 2023 Fair.

During your visit to the Fair be sure to drop by the many indoor and outdoor exhibits which are a big part of the Fair. These exhibits include antique displays, vegetables, grains and seeds, Junior Fair, homecraft items, the many quilts,

photography and entertainment on the indoor stage as well as more entertainment on the outdoor stage. And certainly don't forget to see as many livestock shows as possible - Heavy Horses, Mini Horses, Welsh Ponies, Light Horse & Ponies, English & Western Horse Shows, the Horse Pulls, Dairy & Beef Cattle, Sheep and 4H - plus the Poultry, Pigeons, Rabbits and Waterfowl show. And the Special Events down at the northeast end of the grounds will thrill you - Truck and Tractor Pulls and the Demolition Derby. So, be sure to check the Schedule of Events in the Fair Prize Book for all the shows and demonstrations that will be going on throughout the entire weekend on the grounds.

I would like to say a big "Thank You" to all our volunteers, sponsors, Deborah and all the participants for their continued support, their involvement in the GNE and those who help to make it all possible every year. If you'd like to volunteer to be part of this wonderful GNE experience or be a Director on the Board of the Collingwood Agricultural Society - contact me for information at 705-444-0308.

THANK YOU!

JUNIOR AMBASSADOR'S MESSAGE**QUINN WELLS**

My name is Quinn Wells. I have been honored to represent the Great Northern Exhibition as the 2022-2023 Junior Ambassador. I have really enjoyed working with my Senior Ambassador Diane Van Staveren throughout this year. Diane has been such an amazing role model and has taught me so much throughout this experience.

Diane and I certainly jumped into our ambassador responsibilities minutes after being crowned at the GNE fair. What a busy, fun filled weekend. Friday night, we walked through the record-breaking crowds to get a ride on the Ferris wheel and mingle with families at the Midway. Saturday and Sunday, we were so busy trying to get to all the events and activities that the GNE offers. We handed out ribbons to the different livestock events, started the very loud and muddy demolition derby and watched the truck and tractor pulls. We also participated in the antique tractor parade and rode on the beautiful horse drawn carriage wagons. The GNE wouldn't be complete without picking a winner at the cutest baby contest, drawing a name for the quilt raffle and watching the winning ticket being drawn for the Lions Club Mustang Convertible. I

very much enjoyed the whole GNE weekend.

A few short weeks after the Fair, we attended the Fair Board's President's Reception where I officially spoke for the first time as the Junior Ambassador. We also attended the Autumn Leaves Fashion Show. I sold raffle tickets and Diane was lucky enough to walk the runway in style. What a great event.

In late November and early December, Diane and I represented the GNE at the Collingwood, Wasaga Beach, Stayner and Creemore Santa Claus parades and can I tell you we experienced every type of weather imaginable. Bitter cold and snowy in Collingwood, mild temperatures in Wasaga Beach, rain in Stayner and actual wind warnings in Creemore. They were all so memorable. A special thanks to our wonderful drivers and of course, Judy Ferguson for decorating our award-winning float.

Lastly, I would like to extend a special thank you to our wonderful volunteer Ambassador Committee: Maureen McLeod, Grace Millsap, Karen Van Staveren, and Lori Walker. Diane and I are so blessed to be surrounded by such wonderful people. As I mentioned in one of my speeches, volunteers are the glue that holds the community together and these volunteers are the glue that makes the GNE Ambassador program so special. Thank you for allowing me to represent this wonderful community as your Junior Ambassador.

Quinn

WE'RE RIGHT HERE WITH YOU...

...and have been for decades. Like you, we work and live here, and take an active interest in how we treat our neighbours. So if your family should ever need our family, remember that we're your neighbours.

SENIOR AMBASSADOR'S MESSAGE

DIANE VAN STAVEREN

My name is Diane Van Staveren, and I am pleased to be the 2022-2023 Collingwood Agricultural Society and Great Northern Exhibition Senior Ambassador. Together with my Junior, Quinn Wells, we have had an exciting term.

For us, the Fair kicked off with a competitive ambassador program, filled with excellent speeches and impromptu responses. I would

like to extend congratulations to all the other competitors and I hope we see them on stage again. Our Friday evening ended with photos, a quick change, and a few midway rides. Starting our Saturday at the fair, we passed out ribbons at several animal shows and hopped on some antiques for the tractor parade with Maureen McLeod. Starting the truck pull and the heavy horse pull gave us a behind the scenes look at the Fair. Karen Van Staveren and Grace Millsap kept us busy with visiting vendors, making our way to the special events ground, and visiting with Fair guests. We even met a few future ambassadors. On Sunday, Quinn and I were handed the mic and asked to run the baby show and pick the best decorated car at the demolition derby, before wrapping up the Fair weekend at the closing ceremonies.

In the fall, Quinn and I were pleased to return to the fairgrounds to celebrate the volunteers that make our Fair a success. It was nice to put faces to the many walkie-talkie names from the weekend and to celebrate the return of the Fair. I got to step up my runway walk at the Autumn Leaves Fashion Show, where I got to model for a local boutique. I also attended the OAAS District 5 Meeting, where I enjoyed meeting delegates from other Fairs in our district and hearing about their successes and challenges. I am looking forward to using what we learned for youth and education programming at the GNE, as I stay on the board as an Associate Director.

Next, Quinn and I jumped headfirst into the Christmas season with 4 parades. We somehow managed to get every season of weather with rain, snow and sunshine between the 3 weekends.

Judy Ferguson was instrumental in putting together a beautiful float and thinking of every detail, down to the mitts. Our drivers Bob Percy, Gary Milne, and Chris Ferguson guided us safely through the parades and Lori Walker kept us warm with heated blankets and snacks.

In February, I had the opportunity to attend the OAAS Convention in Richmond Hill, where I met fellow ambassadors from across the province and gained a greater appreciation for all the planning and leadership that goes into our Fair. I am looking forward to participating in the District 5 Ambassador Program later this Spring, as well as competing at the Canadian National Exhibition this summer.

I wish to extend a thank you to our chaperones, committee members, and incredible sponsors who help to make the competition possible. Having once been a Jr. Ambassador, and now reflecting on my term as the Sr, I would like to encourage anyone who has an interest in public speaking, meeting new people, agriculture, or the Fair to consider participating in the Ambassador program. If you are looking for other ways to share your talents with our community, please consider volunteering with the fair. I am positive you will gain new skills, relationships, and memories, as I have throughout the Ambassador program.

Thank you,

GENERAL INFORMATION RULES & REGULATIONS

Our PREMISES I.D. is

Collingwood Agricultural Society #ON4229070

Intending exhibitors and visitors are requested to read carefully and consider the following rules and Regulations governing the Exhibition, which will be in all cases strictly enforced.

1. This body of persons shall be called The Collingwood Agricultural Society. The purpose of this Society shall be to stimulate good agricultural practice within the area and at every opportunity to project the image of agricultural and rural living to the public in general. Our Mission Statement is "To maintain a home for the Great Northern Exhibition through Volunteer Commitment and Community Support".
2. The fee for membership in the Society shall be \$10.00 per senior member and \$4.00 for Junior member (16 years & under) per annum. This entitles each member to the following: a.) Admission to the Fair for 1 (one) day. b.) The right to exhibit or compete, after payment of the entry fee, in any or all sections at the annual Fair.
3. While the Directors will take every possible precaution to ensure the safety of articles sent to the exhibition, the owners themselves must take the risk of exhibiting and should any article be accidentally damaged, lost or stolen the Directors will render all the assistance in their power toward its recovery, but will not make any payment of the value thereof.
4. Any person or exhibitor who shall interfere with the judges or directors while in discharge of their duties or who afterwards, on the premises of the Society, uses any contemptuous language to any of the directors or judges, in consequence of any award made to him or them, shall forfeit the rights to any premiums to which he might otherwise be entitled and may be excluded from exhibiting at the next annual exhibition.
5. The Society will not be responsible for any accident or injury to persons, animals, vehicles, or other personal property of, or belonging to those entering the Show Fairgrounds.
6. All exhibitors and competitors must be members of the Society.
7. On the first day of the Exhibition, the grounds and buildings will be open to exhibitors and their assistants for preparation, and all exhibits must be in their places and ready for judging by the time specified in each section of the prize list.

be responsible for payment of prize money or issuing of memberships and passes.

11. Prize winners are requested to cash their cheques promptly.
12. The Society will not be responsible for the payment of special prizes. In case of a tie between exhibitors or competitors for Special Awards of Prizes, the one with the greatest number of firsts shall be declared winner.
13. The Directors do not hold themselves responsible for the full amount of prizes offered in this list, but will, if the funds are not sufficient, pay the largest percentage the funds will allow.
14. At the close of the Exhibition - 5:00 p.m. Sunday, exhibitors must take charge of their exhibits, and remove the same as early as possible. Any article or stand left in the buildings or grounds after this time will be at the risk of the owner. NOTE: All exhibits in the Agri-Cultural Building & Quonset Hut, must remain until 4 p.m., Sunday, or forfeit prize money. However, vehicles are NOT permitted up to the building until the fair closes at 5:00 p.m.
15. It does not follow that because a prize is offered for any particular animal or article that it must be awarded, unless there is proper competition, or unless the exhibit is really of sufficient merit to warrant the award being made. The judges are particularly requested to note this fact. The judges are requested to report to the Fair office immediately upon their arrival on the grounds. See time for judging in each section of the Prize List. No person

shall be permitted in the horse or cattle ring during the time of judging except the judges, the groom, or any other person in charge of the animals. Any person who shall attempt to interfere with, or influence the judges while discharging their duties, or who shall at any time on the premises of the Society use abusive language to any judge in consequence of any award made by him shall forfeit the right to any premium which he might otherwise be entitled. Judges are particularly requested to immediately report any breach of this rule.

16. The Directors are endeavouring to obtain the best Judges possible and protests against awards will not be received; all decisions being considered final. Any exhibitor lodging a protest must make it in writing and must deliver it, accompanied by a deposit of \$20.00, to the Secretary within one week of the cause of the protest. The deposit shall be retained by the said Society if the said protest is not sustained.
17. A fair quantity of straw will be available prior to the exhibition without charge to exhibitors. Any further supply required must be purchased or supplied by the exhibitors themselves.
18. The presentation of any animals in the Horse Ring may be ordered by the Committee on livestock, for review purposes, at any time during the exhibition and any exhibitor or attendant refusing to bring such animals into the ring when so required, shall forfeit any premiums that may have been awarded them.

Enjoy the GNE!

Terry.Dowdall@parl.gc.ca

As your Member of Parliament for Simcoe-Grey, I am pleased to welcome you to The Great Northern Exhibition, an annual event taking place since 1855. The theme for the 2023 GNE is Bounty from our County, which speaks to the tremendous agricultural production here in Simcoe County. There is not another place like it in Canada which has such a broad range of products grown or raised here all located just over an hour from Canada's largest city.

Over the years the popularity of the GNE has grown to make it one of the biggest and best shows of its type. From its humble roots in 1855 when it was a small show on a farmer's field in Duntroon, to its permanent home in Stayner today that attracts tens of thousands of people each year, the GNE is a tremendous success story. From the competitions, to the food stalls, to the rides, to the nightly entertainment, there is truly something for everyone at the GNE.

I want to extend special congratulations to Darlene Garratt, President, Clark Irvine, Vice-President, and the rest of the dedicated and hard-working members of the 2023 Executive Committee for their leadership. I also want to say thank you to all the sponsors, partners, advertisers, donors and volunteers for their continued dedication to making this excellent event take place.

Please enjoy yourselves at this year's GNE. I encourage you to learn more about everything that our region has to offer year-round.

ARTISAN BREAD RECIPE

6 1/2 cups unbleached Flour (1.625L)
1 1/2 tablespoons instant yeast (22 ml)
1 1/2 tablespoons kosher salt (22 ml)
3 cups lukewarm water

Method: Measure flour, yeast and salt into a large mixing bowl (16 cup size).

Pour in the water and stir together until just moistened. Beat 40 strokes, scraping the bottom and the sides of the bowl until the dough forms a lumpy sticky mass.

Cover the bowl with plastic wrap and let rise at room temperature (72F/22C) in a draft free place for 2 hours or until the dough has doubled in volume and has a sponge like appearance.

Place dough on a floured surface, divide into two. Flour your hands. Working the dough as little as possible and adding flour as necessary, form each piece into a round.

Sprinkle cornmeal onto a cookie sheet (stone baking pan works great); transfer rounds onto pan. Cover with a tea towel and rest at room temperature for 40 minutes.

Make 5 slashes across bread top.

Bake at 450 F on middle rack for 20 - 25 minutes. On the lower rack, place a baking pan with 2 cups of hot water.

Remove from oven and transfer to cooling rack.

The GNE Sheep Show gets better every year. Our mission is to give producers in our community the chance to get together and show the public what we do. Whether you're a producer with a hundred ewes or a hobby farmer with six, you'll enjoy

the chance to mix with other shepherds, lean on a pen and talk sheep with your neighbours. We try to make it as easy as possible to exhibit sheep. Our committee sets up the pens and looks after security. Don't worry about the condition of your market lamb. We have a team who will be happy to spend some time with you, shearing it and getting it pretty for the big cash prize competition. **\$125 prize for light lamb; \$125 prize for heavy lamb**

There's always a crowd in the blue coverall, because we put on a daily program of sheep shearing, featuring Canada's National Shearing Champion, Donny Metheral. So keep the Sheep Show in mind this year and give your nearest committee member a call if you have any questions.

Using the earth to heat & cool The Geothermal difference

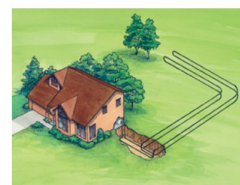

A geothermal heat pump (GHP) taps into the renewable solar energy stored in the ground to provide savings up to 70% on bills. Using a series of underground pipes, it exchanges heat with the earth instead of outdoor air. While air temperatures can vary greatly from day to night or winter to summer the temperature just a few feet below the earth's surface stays an average of 55° - 70° F year-round.

Summer Cooling

As outdoor temperatures rise a GHP collects the unwanted heat in your home and moves it to the cooler earth.

Winter Heating

As outdoor temperatures fall a GHP draws from an underground reservoir of heat concentrated in the ground.
