## RURAL & URBAN LIFESTYLES COME TOGETHER

The Collingwood Agricultural Society is an incorporated, non-profit organization that presents the annual fall Fair - better known as the Great Northern Exhibition (GNE). As an Agricultural Society, we are dedicated to the betterment of rural life by the qualitative improvement of all kinds of livestock, handicrafts, flowers and garden produce through the nurturing of a spirit of friendly competition. By being the area's show window, we host many displays. We provide a meeting place for urban and rural communities alike. Besides being educational for all who attend, we provide a unique experience and a pleasant change from everyday life. The Fair provides good clean fun the whole family can enjoy. We invite inquiries, constructive suggestions, and participation from all urban and rural communities. In addition to the Directors, each section of the Fair has a committee which is composed of many interested people who are part of the fair. You, yes you, are a potential committee member or perhaps even have the interest to become a director. Why not get involved and be a part of the Collingwood Agricultural Society and the GNE! Please contact our Volunteer Coordinator, at 705-444-0308 or email [volunteer@greatnorthernex.com](mailto:volunteer@greatnorthernex.com)

**PRESIDENT'S MESSAGE****CLARK IRVINE**

Thank you for picking up a copy of the 2024 GNE prize book. Our theme for this year's Fair is "Country Treasures"

2024 marks our 167<sup>th</sup> Fair and every year the Fair seems to get bigger and better only because of the dedication from our valued volunteers, participants and attendees. It takes a lot of work and people to put on a Fair of this size and we owe a debt of gratitude to all of those involved in front of

and behind the scenes.

This year's Fair offers an array of exhibits, activities, entertainment and unique & different vendors. Be sure to visit as many as you can.

Barring any unforeseen circumstances, this year will mark the return of Education Day on the Friday of the Fair weekend, after having to get through the issues associated with Covid. Education Day has been set up to allow invited classes of public-school students to attend the Fair in a supervised manner to visit working displays throughout the Fairgrounds and learn about agricultural life. Students will see weaving, milking of cows, maple syrup harvesting, sheep shearing and wool spinning, to name a few.

I would like to take this opportunity to thank our Board of Directors, Associate Directors, Fair-time volunteers, sponsors and our administrator, Deborah Mobbs for all the time and effort they put in to make the Fair operate.

Thank you once again for picking up a copy of this year's prize book and if you would like to get involved with our organization, please contact our office at 705-444-0308, as we are always looking for volunteers. Have a great time at our 167<sup>th</sup> Fair.

## JUNIOR AMBASSADOR'S MESSAGE BRIER MILLER

I am Brier Miller and I've had the honour of being your Junior Ambassador for the past year. Growing up in Clearview the Great Northern Exhibition has always been a big part of my family's tradition. Also a huge thanks to Jocelyn Young, My Senior Ambassador for the guidance and support for this year. I could not have asked for a better partner and mentor. I would like to recognize the Ambassador Committee, and Chaperones Maureen, Diane, Grace, Lori and Karen, for keeping us on time, fed and driving us around on the golf cart. A great parade float again this year, thanks to Judy, Chris and Bob. To all the sponsors, thank-you for all your support and generosity. It is truly appreciated.

See you at the fair!  
Brier Miller

## SENIOR AMBASSADOR'S MESSAGE JOCELYN YOUNG

My name is Jocelyn Young, and I am thrilled to introduce myself as the 2023/24 Senior Ambassador representing the Collingwood Agricultural Society and the Great Northern Exhibition. It all began Friday night with the Ambassador competition, consisting of interviews, speeches, and impromptu questions. After the thrill of the competition was over it was announced that Brier and I would be the next Ambassadors. We barely had time to catch our breath after pictures, before we were whisked away to the track to start a few truck pulls. The next day was a whirlwind of activity. Brier and I spent our time handing out ribbons at the beef show and horse show, soaking up every moment of the fair's electric atmosphere. And of course we couldn't resist spending more time at the track. On the final day of the fair, we handed out more ribbons at the horse and sheep shows, topped off by watching the adorable babies at the baby show.

After the fair wrapped up, I had the chance to connect with other Ambassadors at the District 5 meeting. I was also able to get a behind the scenes experience of what goes on after the fair. Before I knew it, it was Christmas time. Brier and I got all bundled up in our snow suits and attended the Collingwood, Wasaga Beach, Stayner and Creemore Santa Claus Parades on a beautiful float designed by Judy Ferguson.

In February, I had the pleasure of attending the OAAS Convention where I spent my time meeting with fellow Ambassadors and attending seminars to prepare for the CNE. I also had the opportunity to attend other seminars as a delegate and understand all the planning, preparation and detail that goes into planning a fair. I look forward to my next events like the District 5 Ambassador Competition as well as competing at the Canadian National Exhibition in August.

I would like to say thank you to all the volunteers, chaperones, committee members and sponsors that help make the Ambassador Program possible. I enjoyed my time as Junior Ambassador so much I came back to be Senior. This program has helped me grow as a person through character development, leadership opportunities and of course taking time to learn from mentors and act as a mentor myself. If you are passionate about agriculture or just eager to pick up some valuable skills, I urge you to join us either as an Ambassador or a volunteer at the fair. You won't regret it!

-Jocelyn Young

**GENERAL INFORMATION, RULES & REGULATIONS****Our PREMISES I.D. is****Collingwood Agricultural Society #ON4229070**

Intending exhibitors and visitors are requested to read carefully and consider the following rules and regulations governing the Exhibition, which will be in all cases strictly enforced.

1. This body of persons shall be called The Collingwood Agricultural Society. The purpose of this Society shall be to stimulate good agricultural practice within the area and at every opportunity to project the image of agricultural and rural living to the public in general. Our Mission Statement is "To maintain a home for the Great Northern Exhibition through Volunteer Commitment and Community Support".
2. The fee for membership in the Society shall be \$10.00 per senior member and \$4.00 for Junior member (16 years & under) per annum. This entitles each member to the following: a.) Admission to the Fair for 1 (one) day. b.) The right to exhibit or compete, after payment of the entry fee, in any or all sections at the annual Fair.
3. While the Directors will take every possible precaution to ensure the safety of articles sent to the exhibition, the owners themselves must take the risk of exhibiting and should any article be accidentally damaged, lost or stolen the Directors will render all the assistance in their power toward its recovery, but will not make any payment of the value thereof.
4. Any person or exhibitor who shall interfere with the judges or Directors while in discharge of their duties or who afterwards, on the premises of the Society, uses any contemptuous language to any of the Directors or judges, in consequence of any award made to him or them, shall forfeit the rights to any premiums to which he might otherwise be entitled and may be excluded from exhibiting at the next annual exhibition.
5. The Society will not be responsible for any accident or injury to persons, animals, vehicles, or other personal property of, or belonging to those entering the Show Fairgrounds.
6. All exhibitors and competitors must be members of the Society.
7. On the first day of the Exhibition, the grounds and buildings will be open to exhibitors and their assistants for preparation, and all exhibits must be in their places and ready for judging by the time specified in each section of the prize list.
8. Articles of work which have been exhibited at any previous Great Northern Exhibition cannot be entered in competition for this year. All exhibits must be the work of the exhibitor.
9. Tags for entries can be obtained from the Fair office and are also available when entering exhibits on the Wednesday before the Fair. Each exhibitor will use the membership number for entries in each and every class.
10. All entries must be accompanied by proper mailing address including postal code, or the Society will not be responsible for payment of prize money or issuing of memberships and passes.
11. Prize winners are requested to cash their cheques promptly.
12. The Society will not be responsible for the payment of special prizes. In case of a tie between exhibitors or competitors for Special Awards of Prizes, the one with the greatest number of firsts shall be declared winner.
13. The Directors do not hold themselves responsible for the full amount of prizes offered in this list, but will, if the funds are not sufficient, pay the largest percentage the funds will allow.

14. At the close of the Exhibition - 5:00 p.m. Sunday, exhibitors must take charge of their exhibits, and remove the same as early as possible. Any article or stand left in the buildings or grounds after this time will be at the risk of the owner. NOTE: All exhibits in the Agri-Cultural Building & Quonset Hut, must remain until 4 p.m., Sunday, or forfeit prize money. However, vehicles are NOT permitted up to the building until the fair closes at 5:00 p.m.
15. It does not follow that because a prize is offered for any particular animal or article that it must be awarded, unless there is proper competition, or unless the exhibit is really of sufficient merit to warrant the award being made. The judges are particularly requested to note this fact. The judges are requested to report to the Fair office immediately upon their arrival on the grounds. See time for judging in each section of the Prize List. No person shall be permitted in the horse or cattle ring during the time of judging except the judges, the groom, or any other person in charge of the animals. Any person who shall attempt to interfere with, or influence the judges while discharging their duties, or who shall at any time on the premises of the Society use abusive language to any judge in consequence of any award made by him shall forfeit the right to any premium which he might otherwise be entitled. Judges are particularly requested to immediately report any breach of this rule.
16. The Directors are endeavouring to obtain the best Judges possible and protests against awards will not be received; all decisions being considered final. Any exhibitor lodging a protest must make it in writing and must deliver it, accompanied by a deposit of \$20.00, to the Secretary within one week of the cause of the protest. The deposit shall be retained by the said Society if the said protest is not sustained.
17. A fair quantity of straw will be available prior to the exhibition without charge to exhibitors. Any further supply required must be purchased or supplied by the exhibitors themselves.
18. The presentation of any animals in the Horse Ring may be ordered by the Committee on livestock, for review purposes, at any time during the exhibition and any exhibitor or attendant refusing to bring such animals into the ring when so required, shall forfeit any premiums that may have been awarded them.

1. Notwithstanding Homecraft Rule #3, it is recognized that quilts have traditionally been made by cooperative effort, and they may be entered by individuals provided that credit is given to the person or persons who cooperated in the production. Such quilts will be eligible for prizes offered by the GNE, but will not be eligible for the OAAS competitions.
2. Credit must be given to the designer of the pattern used in any quilt. Please specify if it is own design, traditional design, or design made by another person. If designed by another person, be sure to have permission to display the design publicly.
3. Please read section specifications carefully - there are size requirements for many of the quilt sections. OAAS Competition standards have been revised.
4. Unless otherwise stated, quilts are to be hand quilted.
5. Please avoid use of straight pins (for labels, etc.).
6. All quilts larger than crib quilts must have a rod pocket at least 4" (10 cm.) in depth attached to top back. You must pin or baste on a temporary pocket if there is none on the quilt. This facilitates hanging and avoids damage to your quilt.

Welcome to The Great Northern Exhibition! As Member of Parliament for Simcoe-Grey, I am a proud supporter of this great fall festival which showcases the best that Simcoe County has to offer. From its humble roots in 1855 when it was a small show on a farmer's field in Duntroon, to its permanent home here in Stayner today that attracts tens of thousands of people each year, the GNE is a tremendous success story.

There is no other event in Canada that has such a broad range of products grown or raised locally and yet is located just over an hour from Canada's largest city. Whether it is the competitions, the food stalls, the rides, or the nightly entertainment, there is truly something for everyone. Country Treasures is the theme for this year's GNE. To me, this encapsulates both the festival and the area in which it is held. Great food, solid values, excellent people, and admirable community spirit.

Special congratulations are in order for Agricultural Society President Clark Irvine, Agricultural Society Vice-President Maxine Coutts-Reid and the rest of the dedicated and hard-working members of the 2024 Executive Committee for their leadership. Special thanks are in order for all the sponsors, partners, advertisers, donors and volunteers for their continued dedication to making this excellent event take place. It's doesn't happen without everyone of you. Have a great time at the 2024 GNE. Enjoy everything our region has to offer all year long and come back soon.

### **CATTLE COMPETITION**

1. Judges are asked to make no award if any entry is considered unworthy.
2. All purebred champion animals will be required to show pedigrees on request.

### **GENERAL RULES**

Definition of an entry:

Breeding Classes

For the purposes of the Classifications an exhibit shall be interpreted as follows: All purebred registered animals and/or commercial, whether owned by one person or by more than one person (individually or jointly) which are maintained on one farm or breeding unit, are considered to be the production of that farm or breeding unit.

1. For the purposes of the Classifications a breeding unit is defined as follows: In each classification where the same or common interests are involved in more than one breeding operation such operations are considered as one breeding unit. In all cases where there is any doubt that more than one breeding unit exists, the interpretation shall be that only one breeding unit exists. The responsibility of proof of separation of breeding units shall rest with the exhibitor(s).
2. An exhibitor is any breeder or firm which presents animals for official placing by a judge at the time specified by the fair for judging.
3. Each breed must have at least three (3) exhibitors and twenty animals exhibited to make a separate breed section. Otherwise, the committee reserves the right to combine breeds.
4. Proof of liability is to be acknowledged with the name and policy number of the insurance company or insurance agent placed on the entry form next to your signature. All exhibitors must have **proof of at least one million dollars (\$1,000,000)** of liability insurance.
5. The IAFE and CAFE Show Ring Code of Ethics for Exhibitors will be enforced.
6. An exhibitor may enter two entries per section in a maximum of three sections to a maximum of 10 head per exhibitor, with the exception of Breeders Herd. 4-H members and Junior Fair participants are encouraged to participate in the Senior fair and show in the open sections where their calves qualify.
7. Cattle are to be on the grounds by 10 a.m. and are not to leave until 5 p.m.
8. EXHIBITORS TAKE SPECIAL NOTE: Calves shown in sections 1212 and 1213 are NOW eligible for sections 1200 and 1205. These calves are also eligible for the breeder's herd as individuals.
9. Large classes may be split by age.

10. We will be providing exhibitor number cards and ask that each showperson wear this in the ring for ease of bookkeeping. Classes will be determined on show day based on Pure Breeds that meet the requirements of rule number 3. Commercial cattle will show as a separate section from Pure breeds.

There will be two "Herds person" awards of \$30.00 each. The award is selected by beef committee members by frequent tours of the tie-up areas. We encourage all the exhibitors to keep things tidy and neat and with displayed information for the public. The sponsor is Hill Haven Shorthorns.

We do not have facilities for bulls any older than yearlings; please do not bring these animals to the fair grounds.

Champion and Reserve each breed - ribbons only.

The GNE Sheep Show gets better every year. Our mission is to give producers in our community the chance to get together and show the public what we do. Whether you're a producer with a hundred ewes or a hobby farmer with six, you'll enjoy the chance to mix with other shepherds, lean on a pen and talk sheep with your neighbours. We try to make it as easy as possible to exhibit sheep. Our committee sets up the pens and looks after security. Don't worry about the condition of your market lamb. We have a team who will be happy to spend some time with you, shearing it and getting it pretty for the big cash prize competition. **\$125 prize for light lamb; \$125 prize for heavy lamb**

There's always a crowd in the blue coverall, because we put on a daily program of sheep shearing, featuring Canada's National Shearing Champion, Donny Metheral. So keep the Sheep Show in mind this year and give your nearest committee member a call if you have any questions.
